Only Yesterday . . .

Our school years resemble the growth of a tree. Like a seedling we begin the journey of growth and development into branches of knowledge unimagined not long before.

Our education grows and endures as it becomes firm and prepares us to meet new responsibilities and life's exciting challenges.

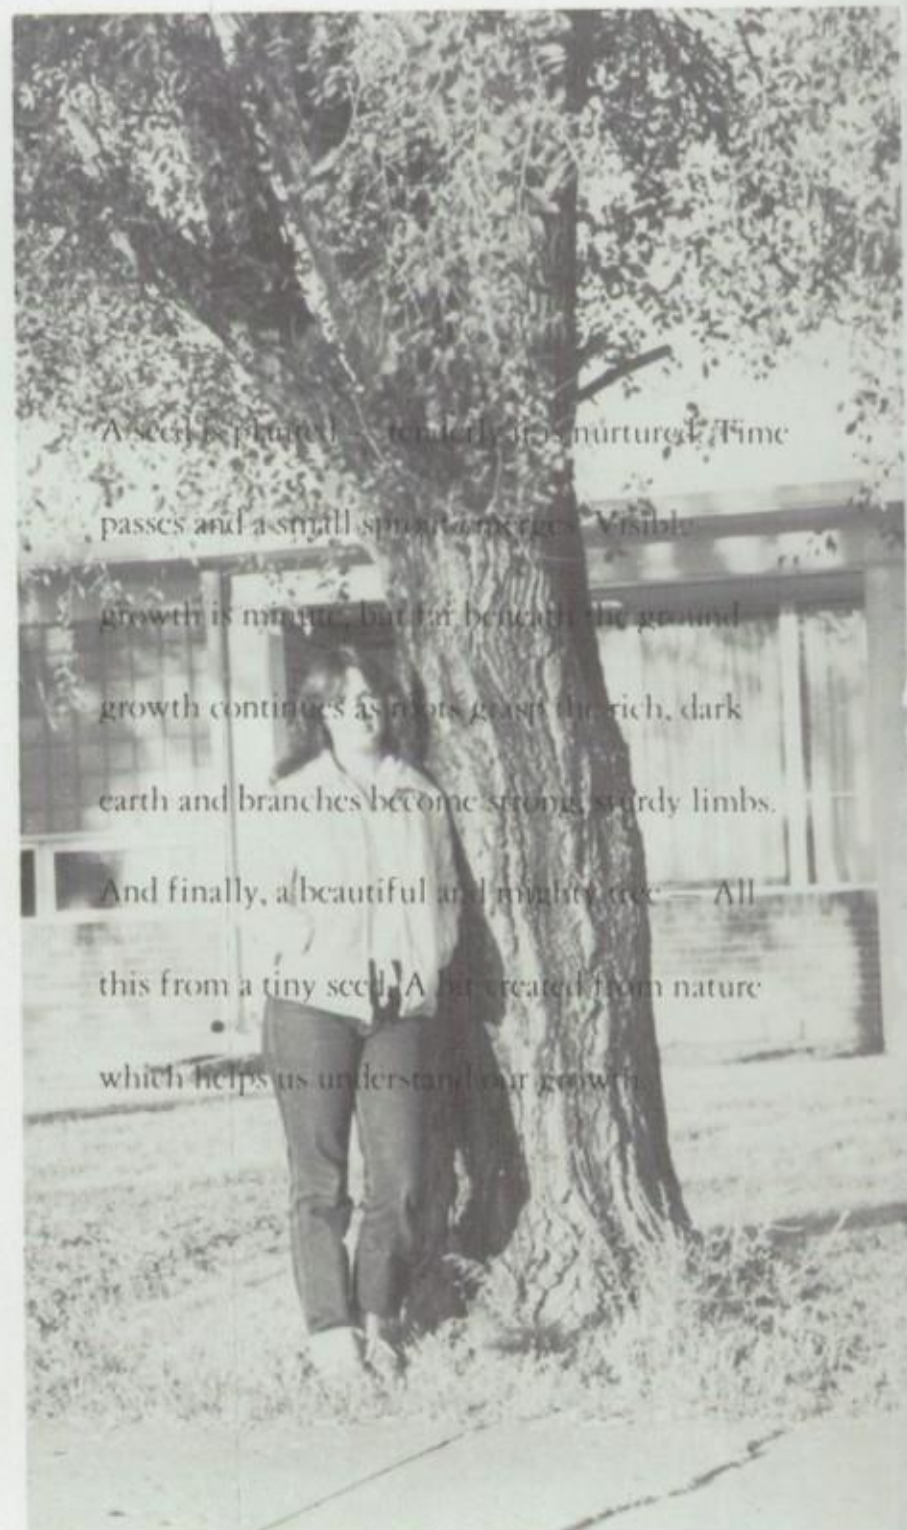

We, the Trojan Yearbook Staff, hope to give you a glimpse of those years in which education is at its highest peak.

A seed is planted . . . tenderly nurtured. Time passes and a small sprout emerges. Visible growth is minute, but far beneath the ground growth continues as roots grasp the rich, dark earth and branches become strong, sturdy limbs. And finally, a beautiful and mighty tree . . . All this from a tiny seed. A life created from nature which helps us understand our growth.

Who's really studying the hardest, the 8th grade boys or the girls?

Special Services

A special services team provides help in many areas for students in U.S.D. 326 with special problems or special abilities.

Tuesdays and Thursdays, school psychologist Orin Dodez does psychological testing for both elementary and high school students. He also provides counseling services for grade school students.

Douglas Sainlar serves as speech and language clinician. He works with students who have sound errors, difficulties in oral language expression and conducts hearing tests for our school system.

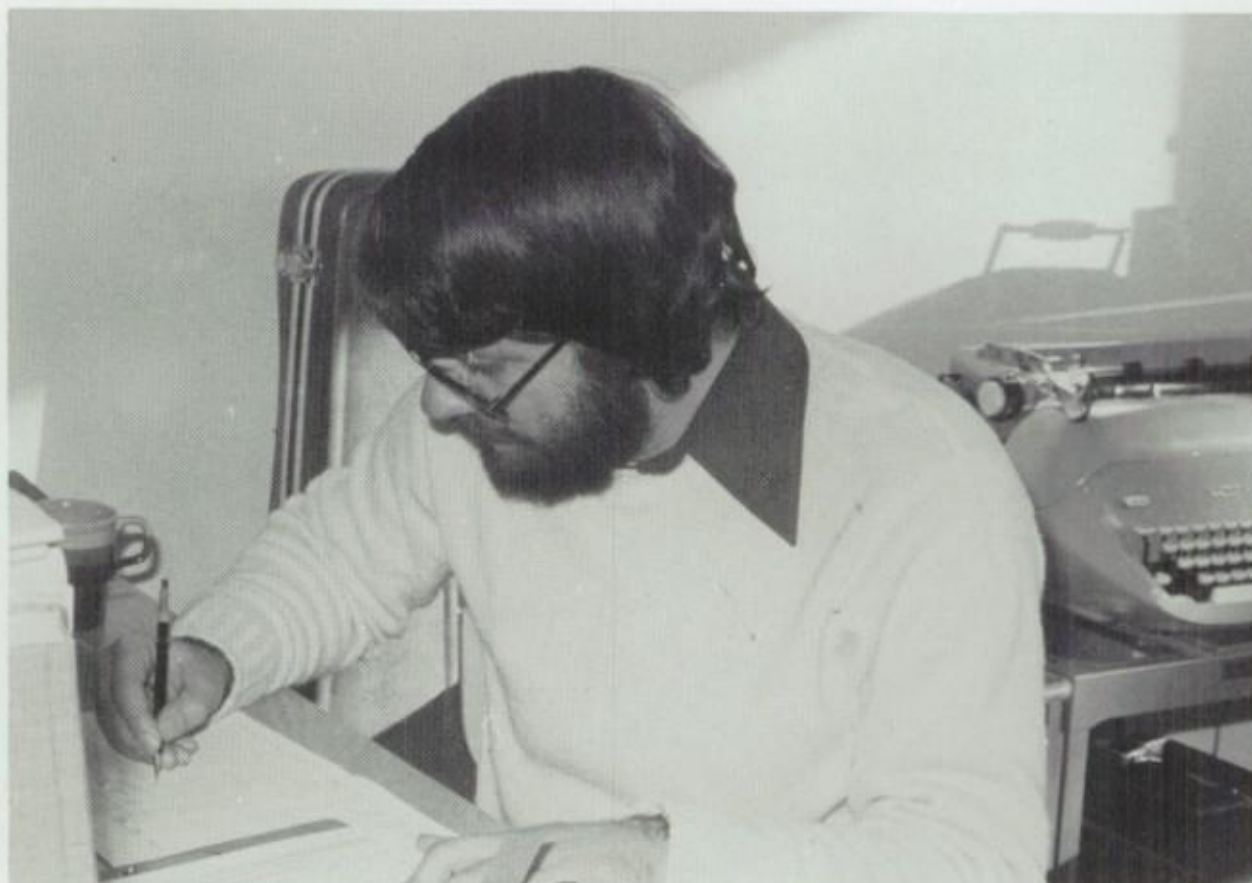

Mike Lehning provides instruction for EMH students, levels III and IV.

Academic testing is the responsibility of Marie Hogan. She is also the elementary learning disabilities teacher at Prairie View and Logan.

Becky Whitney, Title I teacher, provides remediation in the elementary language arts and area at both attendance centers.

Nurse clinician Jeannie Goscha tests eyesight and serves as school nurse one day each week.

Two paraprofessionals, Alexine Orr and Irene Koester round out the team serving in many capacities, both in and out of the classroom.

Jr. High Administrators

Changes were made this year at both Logan Grade School and Prairie View. Mr. Paul Jones, in addition to being USD 326 Superintendent, is now Logan Elementary Principal. Mr. Jones' office is now located in the Junior High rather than in the downtown USD office. Mrs. Evah Lee Dougherty, Logan Elementary Secretary, performs her regular secretarial duties as well as being Lunch Room Accountant.

Accepting the responsibility as Prairie View principal, Mr. Roy Watt also teaches 5th and 6th grades.

FACULTY

Administrators Fulfill New Positions

L.H.S. Administrators have taken on new responsibilities over the '79-80 school year. Superintendent Paul Jones accepted the new position of grade school principal, while former grade school principal Charles Dougherty moved up a few grades to take over as high school principal and assistant superintendent.

This change was made smoothly as the new positions were performed with leadership and concern.

First Season of Eight-Man Football for Trojans

The Trojans ended the year with a respectable record of 5-3 in their first season of eight-man football. Although there were some disappointments from lack of experience, the Trojans were still a fierce opponent on the gridiron.

The three disappointments were losses to Kensington, our arch rival, Lenora, and McCracken. All three were hard fought battles, but the Trojans just couldn't get started until the second half. This year was exciting, and one that will be remembered by many.

Seasons Continue to Improve

Twenty-nine girls participated in the 1979 volleyball program at Logan High. The A-team compiled a 5-8 record and the B-team reached an outstanding 9-1 record.

With a 3-4 record the A team went into the Cheyenne Conference Tournament. In the first round they defeated Northern Valley two games to one. But the next match was more difficult as they lost a close one to Natoma. In the final match of the tournament Logan lost again to Kensington, but not without a good fight. Ending the season, the girls won a tough match against Plainville, and then lost to Hill City in a triangular meet.

Thrilling Season for Trojans and Spectators

This year's season ended in Sub-State playoffs, a goal that many thought the team would never reach. Although the Trojan record was a deceiving one of 10-9, it was always a pleasure to see the Trojan team come on to the court. The high points of the season were two stunning victories against Kensington where all members of the team showed their full potential as winners.

Girls Have Finest Season Ever

The 1979-80 girls' basketball season was very promising for the Logan High cagers. With a 4-5 record they entered the conference tournament where they were seeded against Eastern Heights. The girls were victorious in the first round of play as they surprised the Colts with a score of 48-33. In the next round the girls were matched against Natoma, one of the state's finest teams. After an outstanding game by both teams, Natoma came out on top 28-37. In the final round of the tournament Logan came up against Northern Valley and lost after a fine battle. This gave Logan fourth place in the tourney.

As the Regional Tournament rolled around things seemed a little bit gloomy as the girls' record fell to 5-11. But, for the girls the season had just begun. In the first game of regional play Logan overwhelmed Eastern Heights 54-43. Next round the girls found Northern Valley was no match for them as Logan came out on top 49-42. In the final match of the tournament the girls' opponent was Lenora. Although Logan played good ball, Lenora's experience gave them the advantage as the Wildcats won 58-30. This gave the girls second place in the regional tournament and allowed them to advance to sub state.

In sub-state play the girls were paired against Cheylin, a team with great depth and height. Although the Logan girls played an outstanding game, Cheylin overpowered us by a score of 38-47.

Jrs.-Srs. Present "The Perfect Idiot"

"The Perfect Idiot," a three act play, was presented by the junior and senior classes on March 28. In this play is disqualified from all athletics and relies upon Dan to tutor him.

Puff is not the only one who has problems. Dan, who the whole high school gang hates, cannot take the college exams. His parents, Mr. and Mrs. Tennyson, will not let Dan take the exams as long as he is unpopular. Dan offers a trade; he will tutor Puff if the gang will act like friends even if they are not. The group reluctantly agrees to Dan's proposition.

Non-Cast Members. First Row: Mary Sullivan, Becky Becker, Deb Stanton, Rosalie Vahle, Brenda Sanson, Mr. Duane Horning, play director. Second Row: Mrs. Allyson Switzer, play director; Chris Diederich, Sandy Archer, Nancy Schemper, Lyle Hockman, James Rundle. Snow Delayed Forensics Meets

After a delay of one week due to a storm, the fifteen member forensics team traveled to Lenora to participate in the League Speech Contest. The group came back with five I's, five II's and three III's.

Ten members of the forensic team qualified for Regional action but due to another storm, Pat Sansom could not participate. Four I's, one II and one III were earned by the team.

Six members of the original fifteen qualified for state action held at Ransom. The group returned home with one I and three II's.

Mrs. Audrey Getty was the forensics coach again this year.

Elaine Marie Book passed away October 18, 1979 at the age of 16. Elaine attended Prairie View Grade School and Logan High School. She will be sadly missed by her many friends.

Somewhere Over the Rainbow

Tonight I'm assured my friend —
That Elaine is gone, her life at an end.
And on this occasion we recall each detail —
Each picture of her we try to grasp, but fail.
These moments of agony seem like years —
Out comes sadness, bitterness and fears.
Somewhere over the rainbow my friend —
Life is abundant, and there is no end.
Did you take time to notice Elaine's last days —
Did you notice the change taking place
in all her ways?
This paradise is full and free —
It's as beautiful as the rainbow,
and as peaceful as a ship on the sea.
Elaine depended upon this promise to get her through —
She was no longer empty, searching, or blue.
She accepted the gift of life
that is abundant full and free —
For her reason for living was in a hill
called Mount Calvary.
Are you searching my friend
lost, burdened, heavy and can't see?
For you Jesus died and was nailed to a tree.
Elaine shared with me her hope for tomorrow —
And in her plans there was no sorrow.
Will you forget the words she spoke, the
kindness she'd shared —
Or will you remember, cherish, and accept
her dare?
No one said it would be easy to change —
But then beautiful things are seldom easy.
Life is like a rainbow, that ends in a moment or two,
But somewhere over the rainbow there is
eternal life for you.

SUPPORTERS

Dane G. Hansen Trust in Logan, Kansas

Financing a yearbook is an important part in its production. About 50 percent of the cost of production is financed through the selling of ads. We would like to take this opportunity to thank all of the businesses in the Logan, Prairie View, Phillipsburg, Norton and Stuttgart areas for purchasing ads in our book.

We hope that your purchase will be as helpful to you as it is to our yearbook.

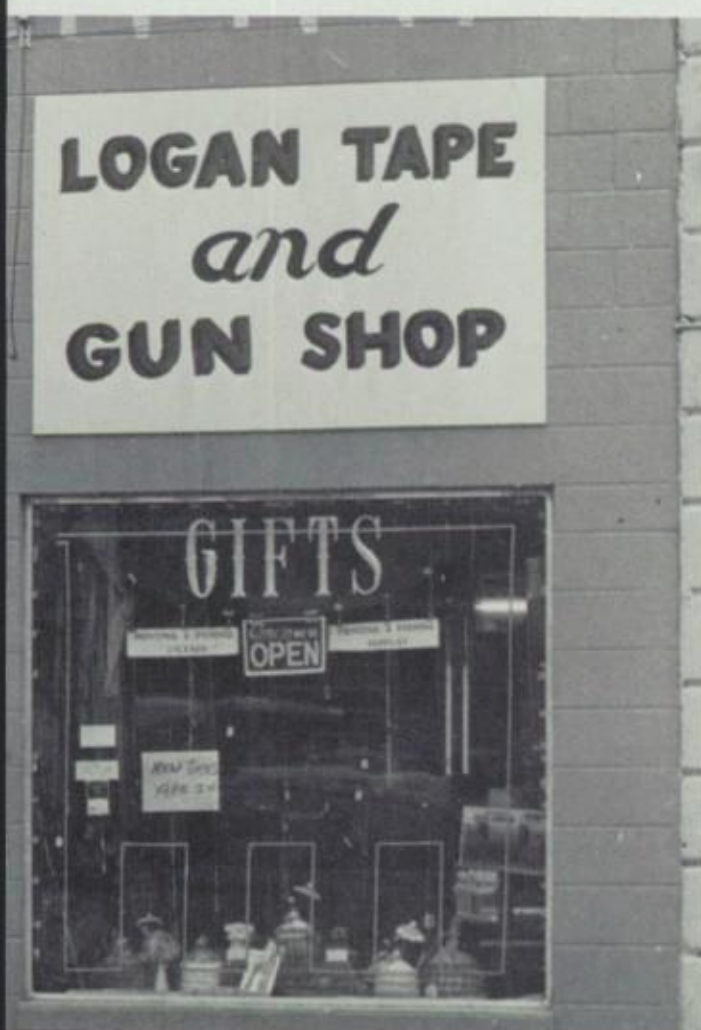

Sincerely yours,

Angie Becker

The yearbook staff of 1980 consisted of: **Top Row:** Mary Sullivan, Brenda Sanson, Rose Vahle, Laurie Hultgren, Shari Hutchinson, Pat Sansom, Brenda Brobst, Tam Leydig and Rose Ohlsen **Second Row:** Stacy Veh, Angie Becker, Becky Becker and Deb Stanton **Third Row:** Olle Lundstrom and Kim Hoback (not pictured is Scott Stark)

Now that the yearbook is complete I would like to thank those people who made this annual possible.

The biggest thanks goes to the advertisers, who without, a yearbook would be impossible. Next, special thanks to the staff and photographers, who spent so much of their time trying to make the 1979-80 yearbook a success. Also I would like to thank Gyola Pears for her many hours of work on the division pages.

Last but not least, a very warm thanks to Mrs. Archer. Without her patience, hard work and understanding the yearbook wouldn't exist.

Thanks again

Kim Hoback
